SAN DIEGO FUTURES FOUNDATION
OCTOBER FUNDRAISER A BIG SUCCESS

San Diego, CA – November 10, 2006 -- The third annual San Diego Futures Foundation "Taste of Technology – Casino Night" raised more than \$60,000 to benefit programs and services to make information technology available to the broadest range of San Diego County residents through the delivery of computer hardware, software, communications, youth training and education.

Held on October 26 at the Hotel Solamar, the event included an exciting evening of entertainment where 250+ guests enjoyed food, drinks, their favorite casino games, and silent and live auctions to support the Futures Foundation's programs and service offerings that help to "change lives through technology."

Major sponsors of the event included: The Sycuan Band of the Kumeyaay Nation, Northrop Grumman Corporation, Dell Inc., Bank of America and Progress Management Company Inc.

Located in City Heights, the San Diego Futures Foundation is dedicated to improving the lives of San Diego County's kids, teens, seniors, veterans, disabled individuals, and other community members. To date, the San Diego Futures Foundation has donated more than 14,000 computers and over 17,000 hours of technical services to San Diego's nonprofits, community-based organizations and schools.
